

TICHBORNE PARK CRICKET CLUB

Dear Brendan,

Could you please pass on the Cricket Club's thanks to the Parish Council with regards to the grant of £300 we received this year.

We managed to purchase the outfield mower that we desperately needed to replace our old and tired mower. The repair costs and efficiency were making it uneconomical and environmentally damaging.

Once again many thanks for the support the parish council gives to the Club.

Kind regards

Andy Joyce
