For the attention of Mr B. Gibbs - Clerk of the Parish Council

04th January 2022

Dear Sirs,

Tichborne Park Cricket Club would be grateful to be considered for a grant to contribute towards one of our current projects.

When my predecessor Kevin Bristow took the chairman's role – he highlighted the importance of the upkeep of what we have in place at the cricket club. This included the training facilities, playing facilities & pavilion.

As a committee we went on to highlight areas that require immediate attention, this included restitching of the training nets, installation of new site screens, a refurbished scoreboard, refurbished roof & the installation of a new artificial playing strip of which I believe last year's grant from Tichborne Parish Council went towards for which we are very grateful.

As Kevin's successor, I am keen to keep the momentum of improvements we are putting in place. We are currently raising funds to assist with the ongoing revamp of the pavilion, this includes the completion of the external façade paint job, landscaping around the area of the recently removed dishevelled picket fence & the installation of a new internal room for the safe storage of training equipment.

We hope that this is a project you can support and look forward to hearing from you in due course if we have been successful.

Thank you in advance for considering our application and most importantly we thank the Parish Council for its continued support to TPCC.

Yours faithfully

James Long

Tichborne Park Cricket Club Chairman
