03 June 2023

Dear Mr Gibbs

Alresford & District Agricultural Society Ltd.

The Parish Council has very generously supported the Society for a number of years, specifically those parts of the Show that contribute to our aim of educating, entertaining and informing people, especially young people about agriculture, farming and rural issues. For the 2019 show we put some effort into improving the presentation of the cereal farming, with displays demonstrating the link between fields of cereals and the food we all eat. Last year we were able to extend this principle into our the livestock area which proved to be a huge success. This year we plan to increase the size of the tentage to include a more comprehensive display. We believe these are important messages for our younger visitors, helping them to understand the importance of agriculture to everyday life.

We are proud of our reputation as one of the longest established and most popular one day agricultural shows in the South of England, regularly attracting up to 15,000 visitors. As a registered charity the Society relies on the generosity of its sponsors and benefactors to remain viable. The continued support of organisations such as the Parish Council is important to us and I write to seek your support for our 2023 Show and specifically the aspects that educate and entertain our younger visitors.

I look forward to hearing from you.

Yours sincerely

Val Watley
Secretary
