17 October 2016

I write on behalf of the Parochial Church Council to request that the Parish Council might be kind enough to consider making a grant to St Andrew's Church for the year 2017/18.

For the coming year there will doubtless be repair works to the interior, but there is also the intention to do more work in the churchyard, and any grant made available would be most welcome to help with the cost of this.

Once again we are enormously grateful for the Council's interest and support, and very much hope that a grant for the coming year will be possible.

Do please be in touch with me if any members of the Parish Council would like to come and see the church.

With best wishes

Lady Craig-Cooper  
Hon. Treasurer, St Andrew's Church, Tichborne
